

AEU Tasmania Support Staff Join Offer

Reimbursement for Registration to Work with Vulnerable People

Join the AEU now and we'll pay your registration!

In a special offer for Support Staff, those who join the AEU now will receive a one-off pay payment to cover the cost of a three-year cycle of your Registration to Work with Vulnerable People.

The offer is 'back-dated' so it doesn't matter exactly when you paid for your registration. All you need to do is have joined the AEU after 1st of January 2021 (or join now!) and produce proof that you paid for your registration and we'll refund the full amount.

To apply for your refund, complete the online form and include a receipt/proof of payment, for your Registration to Work with Vulnerable People. After you've been an AEU member for six months, we'll refund you the full amount of your registration.

If you join the AEU anytime in 2021, after six months of you becoming a member, we'll give you a once-off payment to cover the cost of a three-year cycle of your Registration to Work with Vulnerable People. Complete the form and return to us via the options below.
